2015 Update

The CREC felt that it was unnecessary to take any specific actions in fiscal year 2015.

The Idaho Housing and Finance Association, Idaho Bond Bank Authority and Idaho State Building Authority submitted responses to the SEC's MCDC initiative. To date, none have heard any response from the SEC.

On-Line Debt Management Reporting System

The Credit Rating Enhancement Committee maintains an On-Line Debt Management Reporting System (<https://ebank.sto.idaho.gov>) The online site contains all outstanding debt issues for the State of Idaho and allows the date from all new debt issues to be entered as soon as the new issue closes. This site gives elected officials, state employees, and rating agencies access to this information. The rating agencies stress the importance of having such a system available for the decision makers in the State.

State of Idaho Debt Management Policy

The purpose of the State of Idaho Debt Management Policy, developed by the CREC, is to provide policymakers with information to enable informed decisions regarding financing proposals and debt issuance. This central policy serves to protect and enhance Idaho's bond ratings and maintain the future availability of low-cost capital financing.

A copy of the State of Idaho Debt Management Policy can be found on the "On-Line Debt Management Reporting System" (<https://ebank.sto.idaho.gov>).

Recommendations for Improving, Coordination and Enhancement of Debt Management for the State of Idaho

The Credit Rating Enhancement Committee continues the process of establishing priorities to assist in the improvement, coordination and enhancement of debt management for the state of Idaho.
