Dear Treasurer:

In accordance with the Secure Rural Schools (SRS) Act, P.L. 115-141 reauthorized March 23, 2018, the U.S. Department of Agriculture’s Forest Service will process an additional payment to your state on or about May 13, 2019. A credit amount of $1,394,965.90 will be transferred to your financial institution designated by your state in the System for Award Management (SAM) within 3 to 5 business days.

This payment represents the sequestration of 6.2% that was initially withheld for your payment on April 12, 2019. The initial reports sent out in April are still correct, and do not require any additional calculations to account for sequestration. These reports represent the total each state should distribute to its eligible counties. Each state and county is accountable for the proper use of funds under the Single Audit Act.

Additional information is available on the Payments to States homepage at www.fs.usda.gov/pts/. Inquiries concerning SRS payments may be directed to Dean Russell, (505) 563-7337, deanrussell@fs.fed.us.

Respectfully,
